Dear Parents/Guardians,

On April 12 & 13, the state- sponsored SAT suite of exams will be administered to students in grades 9, 10, & 11 as follows. There are a handful of grade 12 students who must test as well to meet the State Graduation Requirements. These families have been communicated with directly. We apologize for the length of this email however we are trying to cover all possible scenarios for each of our students.

State Testing is based on a student's current classified grade level which is based upon credits earned

Information from these exams will be used to measure students' proficiency towards various college readiness standards and in calculating student achievement growth throughout their high school career. Mundelein High School will be administering the SAT Suite of Assessments across three grade levels due to the Illinois State Board of Education selecting SAT as the state's high school accountability exam.

All students testing on April 12 and 13 should bring #2 pencils (non-mechanical), their student ID, and a calculator. Please be aware that College Board guidelines prohibit electronic devices (cell phones, Chromebooks, smart watches, etc...) from testing rooms.
