

ACT Resources

Dear Parents, Guardians, and Students,

Each year, the Illinois State Board of Education requires all students in Illinois public schools to take the ACT in 11th grade as a graduation requirement. Students in 9th and 10th grade are also required to take the PreACT 9 and PreACT 10, which provide early exposure to ACT-style content and help them become familiar with the assessment's format and structure. On April 8 or 9, MHS freshmen, sophomores, and juniors will take one of these three tests.

Practice Resources: Below you will find testing tips and practice questions for all test sections.
