5.01 ATHLETIC CODE

Participation in athletics is a privilege and not a right. Students who decide to participate shall be expected to exemplify the highest standards of sportsmanship, behavior and fair play. Students who are unable to abide by the expectations established by Mundelein High School will be subject to disciplinary action. These expectations will be enforced year round from the time the student enrolls until the time they graduate.

Athletes and parents have the right to appeal a disciplinary action to the Athletic Council. The Council is comprised of the Athletic Director, Principal or his designee, and a head coach.

ATHLETIC CODE AND TRAINING RULES

If a student fails a class or classes in the spring semester, s/he may make-up the class in summer school and, if successful, be eligible for a fall activity.

- Realize that team success comes before individual recognition.
- Sportsmanship and competition are the primary reasons for high school athletics

ATHLETIC CODE OF CONDUCT

RULE 1 - ATTENDANCE AT PRACTICE OR GAMES

- Athletes leaving school because of illness during the day will not be eligible to participate in sports that day.
- Athletes who are ill and arriving late to school, before half of the school day is over, will have their eligibility decided by the Athletic Director who will keep in mind the welfare of the athlete.
- Athletes, who are absent from school for reasons other than illness, will have their eligibility left to the discretion of the administration. Practice is mandatory unless personally excused by the coach.

RULE 2 – CONDUCT UNBECOMING AN ATHLETE

Athletes will not display behavior on or off the playing field which, in the opinion of the coaching staff, is considered insubordinate or inappropriate to standards of conduct, attitude or sportsmanship.

Sanction

Punishment will be handled by the coach and the school Administration. The range of punishment goes from verbal warning to dismissal from the team.

RULE 3 – TOBACCO/ALCOHOL/DRUGS IN ANY FORM

Athletes will refrain from the use or possession of Electronic Cigarettes and/or Vaping Devices, tobacco, alcohol, and the illegal use or possession of drugs, including steroids.

Sanctions

- 1st Offense: The athlete will be suspended from competition for one calendar year from the date the offense is reported to the Athletic Director. This may be reduced to 50% of an athletic season if the athlete successfully completes an approved substance abuse program, at the family's expense. The 50% will be based on the number of scheduled contests. In the event 50% of the season does not remain in that sport season, the balance of this suspension will carry over to the athlete's next sport season. (50% will be rounded to nearest whole number.)
- 2nd Offense: The athlete will be suspended for one calendar year from the date the incident is reported to the Athletic Director. If the second infraction occurs during a suspension for the first offense, the second offense will not begin until the first offense has been served in full. This suspension includes intramurals as well.
- 3rd Offense: The athlete is no longer allowed to compete in athletic at Mundelein High School. This includes intramurals as well.

SELF-ADMITTANCE

An athlete or his/her parents may self-admit a substance abuse problem to the athletic department and face no penalty. This is a one-time offer only and may not be used to avert a penalty that has been or will be discovered through "normal" occurrences, i.e. the police have already made an arrest.

Once the athlete or his/her parents have come forward, the athlete will have to complete an approved substance program at the family's expense. During this time the athlete is not under any athletic code penalty and will be allowed to practice and compete as normal. Also, the athletic department will treat this with great confidentiality. While facing consequences for inappropriate behavior is a valuable lesson, the athletic department is also very concerned with the development of all athletes well beyond their high school years. The self-admittance program is designed to offer to the athletes and their parents a tool with which to help foster good decision making throughout their life.
