

Making it easy to get workers' compensation prescriptions filled

Optum has been chosen to manage your workers' compensation pharmacy benefits for your employer or their insurer. Below is your First Fill card that will allow you to receive your injury-related prescriptions at your local pharmacy. Please fill out the card based on the instructions below.

Injured person:

If you need a prescription filled for a work-related injury, go to an Optum Tmesys® network pharmacy. Give this temporary card to the pharmacist. In most cases, the pharmacy will fill the prescription at no cost to you.

If your workers' compensation claim is accepted, you will receive a permanent pharmacy card in the mail. Please use that card for other work-related injury prescriptions.
