

We are so excited to welcome our incoming class of 2027!

Freshmen Orientation will be held on Friday, August 11 from 8 a.m. to 2 p.m. This event is to be attended by only Freshmen Students. They will either be taking their regular school bus route or should plan to arrive around 7:45 a.m. and proceed to the Commons or Cafeteria. Don't worry, there will be plenty of friendly Link Crew Leaders to help you find your way. At 8:00 a.m., incoming freshmen will be admitted into the Main Gym for our Freshmen Orientation which will be run by our Link Crew program comprised of Senior and Junior Link Crew Leaders.

Students should do not need to bring anything and should travel light. It is encouraged to wear comfortable clothes. There will be quite a bit of movement and groups activities will have them sitting on the floor. Lunch will be provided.

**During Orientation students will:**

- Get to know each other and feel comfortable at MHS
- Get to know their Link Leaders who will be running their Freshmen Advisory
- Tour the campus
- Take photos for their student ID's
- Receive their Chromebooks
- Have a lot of fun

**We are excited to welcome you to the Mustang Family!**
