As a result, staff will not be available by phone, and access to email and other school systems will be limited throughout the day. We will resume normal operations on Monday, June 15. Should you need assistance with any school matter, please call or visit us during our regular summer hours next week: Monday–Thursday: 7 a.m. - 3:30 p.m.

Friday, June 19: Closed due to Juneteenth holiday

Urgent calls on Friday should contact the district office: 847-949-2700

The following summer programs will still run as scheduled, and are not impacted by the outage:

Students should meet their instructor outside of Door 2 at their regularly scheduled time

We apologize for any inconvenience and appreciate your patience and understanding as we continue important facility improvements to our campus.

Sincerely,
