## Welcome to Mundelein High School

This is an exciting time for eighth grade students, transfer students and parents as you prepare for the transition from your current school to MHS. We understand that this new beginning can be fun and stressful at the same time. This section of the website will help take away any of the stress and leave just the fun. By making this section of the website your new "Home," you will be able to have many of your initial questions answered and learn about the many ways that students new to MHS can soon learn to feel "at home" here. The booklet below, in both English
