# Program Note

*Metamorphoses* is the third Lookingglass Theatre Company show that Mundelein Theatre has produced in recent years (*Trust* in 2015 and *The Arabian Nights* in 2017). The artistic vision of the Chicago based Lookingglass Theatre is one we aspire to at Mundelein Theatre. That is to be centered on the core values of collaboration, transformation, and invention. Like Lookingglass, we seek to capture the imaginations of both our students and our audience, leaving them changed, charged, and empowered.
