

WELCOME TO A NEW SCHOOL YEAR

with Quest Food Management Services

Our Partnership

Quest is proud to be your dining partner for the 2025-2026 school year, and we are committed to providing nutritious meals to your community! The wellness of students is our top priority and we encourage healthy choices and a love of good food every day. Quest stands apart as an organization that values relationships, and our core values of Integrity, Responsiveness, Accountability, Respect, and Excellence inform everything we do.

Our Food Philosophy

Quest prioritizes the health and wellness of every student by cultivating chef-crafted recipes containing the highest quality ingredients, and our team of culinarians use scratch cooking skills and thoughtful sourcing to serve flavorful, nutritious food. Our meals start with fresh ingredients like cage-free eggs, seasonal fruits and vegetables, 100% hormone-free milk, lean proteins, and whole grains, all helping to bring nutritious options to every student's plate.

View Menus with FD MealPlanner

Quest partners with FD MealPlanner to share Weekly Menus that include individual item descriptions, ingredient lists, nutritional data, and allergen information.

Scan this QR code or visit www.fdmealplanner.com and search for your school to get started. Set up an account profile for each student to access menus quickly, and download the FD MealPlanner App from the App Store!

Load Funds with MySchoolBucks

The official payment software for your school is MySchoolBucks, which lets you add funds to your student's account, set up auto-pay, and receive notifications.

Scan this QR code or visit www.myschoolbucks.com and create an account to get started. Set up a profile for each student to access their payment information, and download the MySchoolBucks App from the App Store!
