In the Fall of 2017, MHS moved away from a 4X4 Block Schedule to a traditional Eight-Period Day Schedule. This means that transcripts for classes of 2018, 2019 and 2020 will have a combination of term grades [Block Schedule] and semester grades [Eight-Period Schedule]. One-half credit [0.5] is awarded for each successfully completed term course [Block Schedule] or semester course [Eight-Period Schedule].

A student's rank in class is computed only from term/semester grades earned on a cumulative basis, beginning with the freshman year. The first ranking occurs after the first term/semester. Rank in class is computed on a four-point scale

NOTE: Mundelein High School will no longer provide Class Rank for students beginning with the Class of 2021.
