

2022 - 2023

Dear MHS Band Parents,

Would you like to earn and save money for your band student's expenses all year long? The money can be used for music camps, instruments/supplies, private lessons, band trips and more.

Here's how... go to www.raiseright.com/enroll

Click on "Join a Program"

Enrollment Code: **AA23L81855747** MHS BAND BOOSTERS

Enrollment is only a few steps! Please make sure to indicate your band student in the "who are you fundraising for?" section on the first screen, so that we can get funds into the correct escrow account.

There are two ways to get a gift card:

- 1) *e-gift card*; an electronic gift card that is delivered immediately to your email.
- 2) regular *gift card*; a physical, plastic gift card. These will be distributed at the monthly Band Boosters Meetings.

When you buy gift cards a rebate is added to your student's band escrow account. The rebate can be as small as 2% or up to 15%. The higher it is, the more money you earn!

Cards must be paid for with a credit card or through your bank account. We will not accept checks or cash for orders.

Get the app "Raise Right" on Google play. Use it to access your account, use e-cards and reload e-cards.

Thank you!

Heather Song
