To Our Mundelein High School Families:

As you know, we have been working on scenarios where we could have all hybrid students in the building all day, five days a week. We have worked out the details and **we will begin with that schedule on Monday, April 12**. See detailed information below.

Dr. Anthony Kroll, Principal

Dr. Kevin Myers, Superintendent

The move to one student group all day, every day

- All hybrid students will attend five days a week from 8:45 am to 3:05 pm
- Rooms will be arranged for the new number of students
- Lunch will take place in the gym and cafeteria to ensure proper distancing
- Students will still be allowed to leave campus for lunch and free periods
- Seating charts/contact tracing will continue to be a top priority
- Until April 19, current remote students will not be allowed to move to a hybrid schedule
- The same number of buses will run as before; each bus will pick up two routes of students as there are not enough drivers for all routes to run

Why we chose the Red/Gray schedule rather than the Eight-Period schedule

- Past parent/student surveys indicated that the eight-period day was harder for managing the workload
- Less movement throughout the school with fewer passing periods; easier contact tracing when needed
- All-School lunch works better with the availability of any space being open for student lunch if needed
- Longer classes are preferred due to technology setup for concurrent teaching and desk sanitizing
- Longer classes allow for staff access for struggling students rather than having students stay after school

Yellow Days (Wednesdays) eliminated

- While Yellow days will now be regular attendance days, two Yellow days will remain due to group testing
- Yellow days (remote days for all students) are in effect on the following dates: Wednesday, April 7 and Tuesday, April 13

- Wednesday, April 7 – ISA Testing. All juniors are excused from school that day. It will be Synchronous/Remote for all freshmen, sophomores and seniors
- Tuesday, April 13 – SAT Testing. All juniors are excused from school for the day. An asynchronous option is available for teachers of freshmen, sophomores and seniors to use if they wish
