# Earned Honors

---

- ✓ Students can earn honors credit in English 1, Biology, and World Studies.
- ✓ In order to earn honors in these three classes, students will need to demonstrate honors level achievement on the course common assessments.
- ✓ Earned honors is only for these freshmen courses. Beginning sophomore year, we offer separate advanced level courses: Honors English 2, Honors Chemistry, and Advanced Placement U.S. History
- ✓ Freshmen can choose to take Advanced Placement Human Geography as an advanced level elective course.

# English

## Earned Honors English 1

- ✓ Students have choice in their reading
- ✓ Teachers use shorter readings to teach students to analyze complex texts.
- ✓ Students will read a common class novel and participate in literature circles

# Encourage a Math Positive Mindset

*“The myth that math is a gift that some students have and some do not, is one of the most damaging ideas that pervades education in the U.S. and that stands in the way of students’ math achievement.”*

–Dr. Jo Boaler, Professor of Mathematics, Stanford University
