

COVID VACCINATION MESSAGE FROM SCHOOL DISTRICTS 75 AND 120

The CDC recommends everyone 12 and older get a COVID-19 vaccination. If you are interested in getting vaccinated against COVID-19, we're happy to provide you with information about vaccination locations. Being vaccinated is not a requirement for attending schools in District 75 or District 120.

State-supported mass vaccination sites, local health departments, pharmacy partners – every jurisdiction that receives vaccine from the state's vaccine allocation – are fully open to all 12 years of age and above. All populations in Illinois, including individuals who are undocumented, can receive the vaccine. No one will be turned away if they want to be vaccinated. Those under 18 need a parent or guardian present at the time of vaccination.

For more information on COVID-19 vaccination, please visit the [Illinois Department of Public Health online](#).

To find a vaccination location near you, [click here](#) or call the hotline at 1-833-621-1284.
